

3rd Annual

CEE PPP & Infrastructure Forum

Investing in future partnerships

16th -17th October 2013

InterContinental Hotel

Warsaw, Poland

CEE PPP & Infrastructure Forum 2013 is a high level learning and networking platform, where international PPP practitioners gather to discuss the viability of the outlined infrastructure projects, offer best practice support and identify new cooperative opportunities.

This Forum will connect public and private sector stakeholders from the CEE region with international experts, in order to discuss the viability of the outlined infrastructure projects, offer best practice support and identify new cooperative opportunities. Focus sectors include Transport, Energy, Environmental and Social Infrastructure. Countries discussed include Czech Republic, Hungary, Poland, Russia, Slovakia, Ukraine and the Baltic States.

Our 2013 Forum will address key obstacles that have stalled the development of infrastructure projects in the region and investigate solutions to fuel and steer its sustainable growth.

Our diverse expertise panels and keynote presentations will provide a complete overview of benefits and challenges for the development of sustainable and long-term PPP solutions in CEE. Speakers and participants will include National and Local government, infrastructure funds, financiers and sponsors, construction firms and concessionaires, regional advisors and legal firms.

E.E.L. Events Ltd is renowned for providing premier strategic events across various industry sectors in new and emerging markets in Europe. Our events are designed for those international players who prefer smaller, more structured programmes allowing for effective exchanges of ideas. As a result of our focused approach, the audience can more carefully examine a variety of topics tailored to facilitate new alliances and business ventures.

We look forward to welcoming you in Warsaw!

Meet our Sponsors:

FBSerwis SA is a Polish company co-founded by Budimex SA and Ferrovial Services SA. The scope of services provided range from environmental services (waste collection, treatment and including EfW and landfill), to roads maintenance, snow removal, maintenance of traffic and street lights, bridges, landscaping), and Facility Management (technical maintenance, cleaning) as well as Energy Efficiency Services and Smart City Projects.

Mott MacDonald is the leading provider of PPP technical advisory services in the world, recognised by the industry as the Global PPP Technical Advisor of the Year for six of last eight years. In 2011 alone, they advised on an unprecedented 351 transactions across 63 countries for a capital value of several hundred billion dollars. The company established PPP advisory teams across the world and have gained a leading reputation in providing commercial and technical advisory services to public and private clients.

Allen & Overy, A. Pędzich sp. k. is one of the largest international legal practices in Poland. In 1991 our Warsaw office was one of the first international law offices established in Poland, and now has a combined team of more than 65 Polish and foreign lawyers, including senior Polish advocates and legal advisers.

RBconsult (www.robain.com) is a specialist, independent consultancy that provides technical and credit-related advice to investors looking at candidate investment projects in the transportation and PPP sectors.
